ACCESSORIES GUIDE

One set of accessories for four different mobile computers

Our complete family of accessories allows you to easily customize your MC55A0, MC55N0, MC65 and MC67 mobile computers to best meet the needs of your applications, your workers and your IT department. Choose from four slot or single slot cradles, a vehicle mount kit, a snap-on trigger handle for those scan intensive jobs, a magnetic stripe reader for on-the-spot payment processing and more. A single accessory pool serves all four models, delivering a better return on your accessory investment. You can stock fewer spares. And since your existing accessories can be used with the new MC67, you can put the latest mobile computer in the hands of your workers — very cost-effectively
