

Zebra® ZXP Series 3™ Card Printer

SEE MORE. DO MORE.

Zebra's ZXP Series 3 direct-to-card printer provides a bevy of features and outstanding print quality – and a low cost of ownership. The ZXP Series 3 high capacity and wide range of ribbon options along with the capability to select the card thickness that is right for the application makes the ZXP Series 3 the most cost-effective card printing solution in its class.

The ZXP Series 3 offers vivid, high-quality full colour and monochrome printing on single- or dual-sided cards. Operating the ZXP Series 3 is simplified with an intuitive design, colour touch points, and quick-replace higher capacity Load-N-Go™

smart ribbons, which are now Eco-friendly using less plastic and a more biodegradable material. Zebra's ZRaster™ host-based image processing technology enables high speed printing – without sacrificing image quality. The printer's compact design makes it the right choice for tight work spaces. Smart card and magnetic stripe encoding options allow the ZXP Series 3 to meet the needs of a variety of markets and applications, including ID and access control cards, and personalised gift, membership and loyalty cards. Standard Kensington™ lock feature and optional enclosure lock make the ZXP Series 3 ideal for secure card printing solutions.

Print Touch

The ZXP Series 3 includes Zebra Print Touch™, an embedded Near Field Communication (NFC) chip and software. Just hold your NFC enabled smartphone up to the Zebra Print Touch logo on the printer to read key printer information and launch Web-based help pages.

Ideal for These Applications

Retail/Hospitality / loyalty cards, gift cards, membership cards

Financial Services / instant issuance financial cards

Security / employee ID cards, student ID cards, access control cards
